# UNIT-9

Do you have a grandparent who does things for you? Let's read about the Granny in this poem.

# GRANNY GRANNY PLEASE COMB MY HAIR

Granny Granny
Please comb my hair.
You always take your time,
You always take such care.

You put me to sit on a cushion

Between your knees;

You rub a little coconut oil,

Parting gentle as a breeze.

... Granny

You have all the time in the world,

And when you're finished

You always turn my head and say,

"Now, who's a nice girl?"

#### New words

care, cushion, knees, gentle, breeze, world, nice

#### Reading is fun

- ▶ What does the little girl want her Granny to do?
- ▶ What does Granny rub on her hair?

Sometimes we replace the names of people with another word, instead of repeating

the name. Replace the names in the sentences using a word from the box.

- 1. Meena is playing with a doll. \_\_\_\_ is a girl.
- 2. Ram is climbing a tree. \_\_\_\_ is a boy.
- 3. Do not eat that mango. \_\_\_\_ is not ripe.

Suppose you go to stay with your grandparents for a week. Make a list of things that you would like to take with you for them. Do not forget to put a, an or the before each thing.

Once, there was a little girl named Tara. She lived with her mother. They were very poor.

One day she went to a forest. There she met an old woman. The old woman gave her a pot. She said, "This is a magic pot. It will cook porridge for you when you say, 'Cook-Pot-Cook'. It will stop making porridge when you say, 'Stop-Pot-Stop'."

Tara was very happy. She ran to her mother and said, "Mother, we will no longer be hungry as I have got a magic pot."

Tara said to the pot, "Cook-Pot-Cook" and the pot cooked porridge. Her mother was very happy and they both ate porridge.

One day, when Tara had gone out, her mother felt hungry. She said to the pot, "Cook-Pot-Cook." The pot started cooking porridge.

# Loving Grandfather

Grandpa loved to go for walks. He loved to do his exercises!

I can see grandpa's friends. Let us talk to them!

We must try to make him go for a walk with us and do some exercise in the park!

Thank you, my children, for taking me out in the fresh air. It's been a long time I have been with my friends or for a walk.

Grandpa, your friends are here. Talk to them while we play. They have missed you!

# TEACHER'S PAGES

The main emphasis of **Unit 9** is to further sensitise children to their home environment. Unit -1 began with 'myself and 'my own feelings for the world.' A gradual shift in the child's engagement with experiences, thoughts, feelings and relationships with her/his immediate family and friends has been subtly built in from Unit to Unit.

- Love for elders and sharing and caring for the old is a feeling which when generated at this young age will go a long way to give children a feeling of interdependence with their world. It is when this true feeling is expressed that language will flow (so the emphasis is on language building and not translation).
- Motivate the children to read short stories and speak/narrate in their own words.
- Encourage them to look at pictures and talk about them.
- Read the story/poem aloud with proper stress, punctuation, rhythm and intonation, as the children repeat after you.
- Most teachers will recognise that one child's speech is different from that of
  other children. Perhaps a child hesitates, stutters, or blocks when
  attempting to communicate. The rhymes and stories in this book will give
  the child many successful speech experiences through choric speaking.
- In Say aloud put stress on the underlined syllables.
- By this Unit children should be able to do independent reading and comprehend the story.
- Use of repetitive sounds or words like 'cook-pot-cook' is a source of joy for the child, who may overcome timidity and speech difficulties easily and gradually.
- Put a word-chart of spellings from the lesson on the wall/board.
- Ask children to think of a time when they were sick and who looked after them.

The chart paper used for the Thank you card in **Fun time** should be 9 x 12 inches in size.

#### A few classroom suggestions

- Ask the children to share their feelings about any incident/story they know where an animal has helped old and sick people.
- Cards should be made and given to grandparents or older people whom they like.
- Vocabulary games must be encouraged and played, e.g., teachers could write four capital letters on the board. Each student chooses one and copies it down. Now write 3-4 lower case letters on the board. Again, let each child choose one. Continue writing 3-4 letters at a time. Let students complete the words. Each time they complete one word, they may start a new word (using a capital letter).
- The teacher can act out the picture story along with the students in a group.
   Then students can enact it independently. This can be done following the red, blue, green, yellow group method. Dramatisation can bring a story or poem to life.

#### Raising awareness

Invite grandparents to the school. Ask them to talk about their school days with the children.
